“No Child Left Behind”

Luke 2: 41-49

1. How do we lose the Lord Jesus?
 - a. Do you have unrepented sin in your life?
 - b. Do you love someone or something in your life more than you love Jesus?
 - c. Do you use your time, your talent, and your tithe to prove that Jesus is Lord of your life?
 - d. Do your actions match your words in your devotion to Christ?
 - e. Do you find yourself "too busy" to make time for God in your life?
 - f. Do you see God working in your life and in the lives of others all around you, all the time?
 - g. Do you have bitterness, anger, or hatred in your heart that is hurting your own relationship with the Lord?
2. Where do we lose the Lord Jesus?
3. How do we find the Lord Jesus?
